Dear Bob,

You were very nice to ask me to the May 13th banquet. Unfortunately, I won't be able to be there. I well remember flying in the Bellanca and I well remember your generosity. I am delighted to know you are still active.

I've had a business contact with Jack Eckerd regarding a building, and he couldn't have been more cooperative. Give him my best when you see him.

Again, I'm so sorry not to be able to join you.

Yours very truly,

George Bush

Dear George:

A lot of good things have happened to you since we flew together in my Bellanca in February of '74 and I then worked for you on the V.P. slot that August.

We have your picture of us in our office over the bar and think of you when the sun goes over the yardarm.

Phyllis and I now have a Shrike Commander and will be flying it to D.C. May 10th to attend the Small Business Administration National Advisory Council meeting that week at the Hyatt Regency. I have been proposed as Chairman of the S.B.A. National Advisory Council along with several others. We are keeping our fingers crossed.

George, the Advisory Council is having a cocktail party and banquet Thursday evening, May 13th. Elliot Richardson will be our speaker. We have invited our Senator, Congressmen, and of course Jack Eckerd whom I have worked for and who is a partner of ours.

We would like very much for you to also be our guest. If you can attend the cocktail party and/or the banquet, please let us know so that I can RSVP.

Sincerely,

Robert B. Clifton
